FREE COMMUNITY EVENT. DR. WANG JOINS US IN PERSON!

The movie Sight is adapted from real people. The prototype of the protagonist, Dr. Wang Mingxu, is a '77 alumnus of the University of Science and Technology of China, a doctorate in laser physics from the University of Maryland, a doctor of medicine from Harvard and MIT, and has won many firsts and patents in the American ophthalmology industry. He called on Chinese people to tell our own stories and "walk the talk".

Chinese dinner and drinks will be available for sale.

After the screening, Dr. Wang will share information and be available audience questions and answers.
